

Student Team Weekly Report – One Page Template

PROJECT/FEATURE

System Project Selection & Team Planning.

TEAM & MENTOR

Team: 2
Mentor: Mr. Mahesh Kandekar

WEEK TEAM/LEADER

1th September 2026
Week Leader: Diksha R.

WORK COMPLETED

Frontend and basic backend development were completed, and testing was started to check the frontend functionality.

CHALLENGES/RISKS

Some issues were faced during frontend and backend integration. Minor errors were identified during testing, so additional checking and debugging were required.

HELP NEEDED

None as present

INTEGRATION AND COLLABORATION

The team coordinated with each other to connect the frontend and backend modules. Regular communication helped in resolving issues and completing the assigned tasks.

COMMON KPI EVIDENCES

Frontend development and basic backend functionality were completed successfully. Testing was started to check the system functionality and identify errors.

NEXT WEEK COMMITMENTS

Project lead for next week: Shruti D. Continue development of the remaining modules and create validation for the system. Begin testing the completed modules and fix identified errors.

MENTOR RESPONSE

Continue development with proper database integration and create validation. Perform regular testing and document the completed work.
